

FAQs

Q: What is Junior Words?

A: Junior Words is a virtual Islamic school designed for students from India to learn and experience Islam. The main subjects taught in the school are Islamic and Moral studies.

Q: Why choose Junior Words?

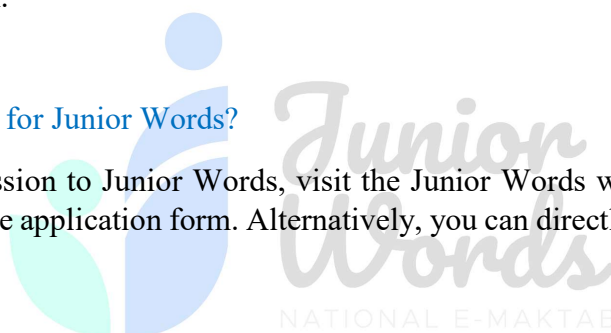

A: Junior Words provides comprehensive Islamic education, including Qur'an, Hadith, Aqidah, Thareeq, and Aqlaq. Junior Words teaches your son all essential Islamic studies. The teachers at Junior Words offer guidance and mentorship to help your son become a good Muslim.

Q: What age group can join Junior Words?

A: Children aged five and above can join Junior Words by taking a basic test administered by the Junior Words team.

Q: How can one apply for Junior Words?

A: To apply for admission to Junior Words, visit the Junior Words website and click on the apply icon to fill out the application form. Alternatively, you can directly access the form using the provided link.

Q: What is the class structure at Junior Words?

A: The class structure at Junior Words consists of four recorded sessions and one live session per week. The prerecorded sessions, available in the Junior Words studios, allow students to listen to and review the classes at their convenience. The weekly live sessions help students clarify doubts and reinforce the content of the topics.

Q: Are the live classes flexible for students in different areas?

A: Yes, students can attend the live sessions at flexible times according to the provided schedule.

Q: Are study materials available for the students?

A: Yes, Junior Words provides student-friendly study materials specifically designed for each subject. Additionally, a specially designed workbook is provided for students to practice lessons at home.

Q: What subjects are taught in Junior Words?

A: The syllabus at Junior Words includes Islamic subjects such as Qur'an, Hadith, Fiqh, moral values, Islamic history, Tajweed, and Aqidah. These syllabuses are specially tailored for children.

Q: What is the medium of classes at Junior Words?

A: The classes at Junior Words are conducted in English medium. All texts and materials are prepared in the English language.

Q: Is personal mentoring available for students?

A: Yes, trained mentors provide personal mentoring for students at Junior Words.
